Short Break Services are a great way for people with learning disabilities to have some precious 'me' time away from home.

- We focus on giving individuals choices; tell us your likes and dislikes and we'll adapt your stay to suit you!
- Bookings are made around compatibility, so it's a great chance to meet new people, make new friends and have fun too!

High Quality Support Our staff are trained to support guests with all of their care needs. Whether you need some help getting ready in the mornings or support to get out and about; we want you to enjoy your stay. Let us know if you have any special care needs and we'll do all we can to help you. All staff are trained to administer medication.

We'll help you to make a photo-book, a reminder of what you've been up to during your stay!

Our large living room is great for socialising, but if you prefer a little quiet time our conservatory is perfect for 'chilling'! We have a lovely garden, perfect for summer BBQ's too!

Our 6 spacious en-suite bedrooms all have TVs and DVD players. One is on the ground floor and has its own wet room. We have a lift too!

Transition Our Evesham service is perfect for young adults who are thinking about the future. It helps them to build their practical skills and start to prepare for independent living.

Activities Guests decide which activities they would like to take part in based on their interests and ability.

- Cookery & Baking - you can help put the menu together and prepare the meals if you like!
 - Arts & Crafts
 - Games (we have a Wii)
 - Pamper & Movie Nights
- Trips out to the cinema, swimming pool, gym, church, youth club, shops and the Mencap Disco is always a firm favourite!

Location We are located close to local amenities and it's just a short walk into Evesham town centre or, if you prefer you can take the bus the bus stop is right outside!
